Gigi  
Am I a fool without a mind?  
Or have I nearly been too blind to realize  
Oh, gigi  
While you've been growing up before my eyes

Gigi  
You're not all that funny or quick little girl I knew  
No, overnight there's been a breathless change in you  
Oh, gigi  
While you were trembling on the brink  
Was I out yonder somewhere blinking at a star?

Oh, gigi

Have I been standing up too close or back too far?  
When did your sparkle turn to fire?  
And your warmth become desire  
Oh, what miracle has made you the way you are?

When did your warmth become desire?  
And your sparkle turn to fire?  
Oh, what miracle has made you the way you are?

Oh, gigi
