Heartache number one was when you left me  
I never knew that I could hurt this way  
Heartache number two was when you come back again  
You came back and never meant to stay

Now I've got heartaches by the number, troubles by the  
score  
Everyday you love me less, each day I love you more  
Yes, I've got heartaches by the number, a love that I  
can't win  
But the day that I stop counting that's the day my world  
will end

Heartache number three was when you called me  
And said that you were coming back to stay  
With hopeful heart I waited for your knock on the door  
I waited but you must have lost your way

Now I've got heartaches by the number, troubles by the  
score  
And everyday you love me less, each day I love you  
more  
Yes, I've got heartaches by the number, a love that I  
can't win  
But the day that I stop counting that's the day my world  
will end  
The day that I stop counting that's the day my world will  
end
