(Burt Bacharach/Hal David)

I just don't know what to do with myself  
I just don't know what to do with myself  
I'm so used to doing everything with you  
Planning everything for two  
And now that we're through

I just don't know what to do with my time  
I'm so lonesome for you, it's a crime  
Going to a movie only makes me sad  
Parties make me feel as bad  
When I'm not with you, I just don't know what to do

Like a summer rose needs the sun and rain  
I need your sweet love to beat all the pain

I just don't know what to do with myself  
I just don't know what to do with myself  
Baby, if your new love ever turns you down  
Come back, I will be around  
Just waiting for you, I don't know what else to do

Don't know what else to do  
I don't know what else to do  
I'm still so crazy for you  
Oh, oh, oh
