I want you

Oh my baby baby I love you more than I can tell
I don't think I can live without you
And I know that I never will
Oh my baby baby I want you so it scares me to death
I can't say anymore than I love you
Everything else is a waste of breath

I want you

You've had your fun you don't get well no more

I want you

Your fingernails go dragging down the wall
Be careful darling you might fall

I want you

I woke up and one of us was crying

I want you

You said young man I do believe you're dying

I want you

If you need a second opinion as you seem to do these
days

You can look in my eyes and you can count the ways

I want you

Did you mean to tell me but seem to forget

I want you

Since when were you so generous and inarticulate

I want you

It's the stupid details that my heart is breaking for
It's the way your shoulders shake and what they're
shaking for

It's knowing that he knows you now after only guessing

I want you

It's the thought of him undressing you or you
undressing

I want you

He tossed some tatty compliment your way

I want you

And you were fool enough to love it when he said

I want you

I want you

The truth can't hurt you it's just like the dark
It scares you witless

But in time you see things clear and stark

I want you
Go on and hurt me then well let it drop
I want you
Im afraid I wont know where to stop
I want you
Im not ashamed to say I cried for you
I want you
I want to know the things you did that we do too
I want you
I want to hear he pleases you more than I do
I want you
I might as well be useless for all it means to you
I want you
Did you call his name out as he held you down
I want you
Oh no my darling not with that clown
I want you
Youve had your fun you don't get well no more
I want you
No-one who wants you could want you more
I want you
Every night when I go off to bed and when I wake up
I want you
I want you
Im going to say it once again til I instill it
I know Im going to feel this way until you kill it
I want you
I want you
