I might say that I don't care  
Hold my head up in the air  
Even tell my friends I'm glad that you don't call  
But when the day is through  
That's when my heartaches start anew  
And that's when I miss you most of all  
And my arms keep reaching for you  
And my eyes keep searching for you  
And my lips keep calling for you  
And my shoes keep walking back to you

No matter how much I pretend  
I wish I had you back again  
'Cause nothin' means half as much as you  
My world just seemed to die  
The day you said goodbye  
And I can't forget no matter what I do

And my arms keep reaching for you  
And my eyes keep searching for you  
And my lips keep calling for you  
And my shoes keep walking back to you
