(Titus Turner)

People talkin', tryin' to break us up  
Why don't they let us be  
Sticks and stones may break my bones  
But talk don't bother me

(No) People talkin', tryin' to break us up  
When they know that I love you so  
So I don't care what the people might say  
I'm never gonna let you go

I've been abused (I've been abused)  
In my heart (I've been accused)  
I've been accused (I've been accused)  
I've been rebuked and I've been stomped

(Well) People talkin', tryin' to break us up  
They're scandalizing my name  
They'll say anything just to make me feel bad  
They'll say anything to make me shamed

I've been abused (I've been abused)  
In my heart (I've been accused)  
I've been accused (I've been accused)  
I've been rebuked and I've been stomped

(Well) People talkin', tryin' to break us up  
They're scandalizing my name  
They'll say anything just to make me feel bad  
They'll say anything to make me shamed
