All the bedroom lights go out  
As the neighbourhood gets quiet  
Everything in heaven and earth is almost right  
But there's a wife whos wondering where her husband  
could be tonight  
And when the phone rang only once she took a  
dreadful fright

Little things just seem to undermine her confidence in  
him  
He was late this time last week  
Who can she turn to when the chance of coincidence is  
slim  
'Cause the baby isn't old enough to speak

[Chorus:]  
There's been a long honeymoon  
She thought too late and spoke too soon  
There's no money back guarantee on future happiness  
There's been a long honeymoon  
If he's out on a date then her life's in ruins  
She never thought her love could ever be as strong as  
this

All the movies and the papers  
Feature the murders of lonely women  
If he isn't in by ten she'll call up her best friend  
Why doesn't he come home  
Why does her friends phone keep on ringing  
Maybe she should just pretend

[Chorus]
