What are you girls gonna tell your mother?  
I don't want to hear another word about young lovers  
Or hiding your boyfriend in the cupboard  
She's been to see the doctor, so you hope that she  
recovers

You act dumb  
You say you're so numb  
You say you don't come  
Under his thumb

Don't wanna be a goody, goody  
I don't want just anybody  
No, I don't want anybody  
Saying, "You belong to me, you belong to me"

Your eyes are absent, your mouth is silent  
Pumping like a fire hydrant  
Things you see are getting hard to swallow  
You're easily led, but you're much too scared to follow

You've been warned  
You're going to get torn  
No uniform is gonna keep you warm

Don't wanna be a goody, goody  
I don't want just anybody  
No, I don't want anybody  
Saying, "You belong to me, you belong to me"

You belong to me, you belong to me, you belong to me  
You belong to me, you belong to me, you belong to me  
You belong to me, you belong to me, you belong to me  
You, you belong to me, you, you belong to me
