She makes me go so wrong  
(yeah, you kept me away, you know you did)  
I've loved her oh, so long  
(so why don't you come right out and say it, stupid? )  
She makes me do things I don't want to do  
I don't know why I should be telling you  
I know that you want her too  
My intentions are quite sincere  
(that's not what you said the other night)  
And all you can do is sneer  
(so go ahead and kid yourself you're right)  
She makes me do things I don't want to do  
I don't know why I should be telling you  
I know that you want her too

I've got a better chance than you do  
I know that you want her too  
You're such a hopeless romantic

She told me you're so predictable and nice  
She only did you a favor once or twice  
Once or twice

She makes me go so wrong  
(so why don't you lie back and enjoy it? )  
Oh, my conscience is clear and strong  
(yes, she says I'm just the boy for it)

She makes me do things I don't want to do  
I don't know why I should be telling you  
I know that you want her too  
I know that you want her too  
I know that you want her too
