Now it's just you and me, my blue friend
And you say that it's you that she's thinking of
And our affair must end but if it's you that she's
thinking of
I think my broken heart might mend

Now it's my turn to talk and your turn to think
Your turn to buy and my turn to drink
Your turn to cry and my turn to sink down in the blue
chair
Down in the blue chair

Now I've made up my mind, I've made my mistake
And I know that she cries for you when she's barely
awake
Well, she's going to bend your mind
Well, I hope it don't break

Now it's my turn to talk and your turn to think
Your turn to buy and my turn to drink
Your turn to cry and my turn to sink down in the blue
chair
Down in the blue chair

Down in the blue chair
We can watch our troubles rise
Like smoke into the air
And drift up to the ceiling

Down in the blue chair
You can feel just like a boy or a man
And next minute you can find yourself kneeling
Down in the blue chair

They're boasting of loving the daylights
Right out of her in the small hours
Down in the blue chair
You say that your love lasts forever when you know the
night just hours

And still I want her right now
Not any minute, hour or day

And wherever she is tonight, I want her anyway
I suppose she never said to you, you were just in the
way

Now it's my turn to talk and your turn to think
Your turn to buy and my turn to drink
Your turn to cry and my turn to sink down in the blue
chair
Down in the blue chair

Down in the blue chair
Down in the blue
Blue becomes you
Down in the blue chair
