Blood and Chocolate  
I hope you're satisfied what you have done  
You think it's over now  
But we've only just begun

I asked for water  
And they gave me rose wine  
A horse that knows arithmetic  
And a dog that tells your fortune

It's in your eyes  
Uncomplicated

I want to buy you  
A big blue Diamel  
Cheap white plastic shoes  
That don't walk out and don't let in

I want to show you  
How I love you  
When you're over me  
There's no one above you

It's in your eyes  
Uncomplicated

You think it's over now  
But this is only the beginning

It's in your eyes  
Uncomplicated
