Now I have nothin', so God give me strength
'Cause I'm weak in her wake
And if I'm strong, I might still break
And I don't have anythin' to share
That I won't throw away into the air

That song is sung out
This bell is rung out
She was the light that I'd bless
She took my last chance at happiness
So God give me strength, God give me strength

I can't hold onto, God give me strength
When the phone doesn't ring
And I'm lost in imagining
Everythin' that kind of love is worth
As I tumble back down to the earth

That song is sung out
And this bell is rung out
And she was the light that I'd bless
She took my last chance at happiness
So God give me strength

God if she'd grant me her indulgence and decline
I might as well, wipe her from my memory
Fracture the spell, as she becomes my enemy
Maybe I was washed out like a lip-print on his shirt
See, I'm only human, I want him to hurt

I want him
I want him to hurt

Since I lost the power to pretend
That there could ever be a happy ending

That song is sung out
This bell is rung out
She was the light that I'd bless
She took my last chance at happiness
So God give me strength, God give me strength

[Incomprehensible]
God give me strength
God give me strength
[Incomprehensible]
