Cruising down the highway  
Using lots of gas  
I've got hundreds of horsepower  
Got the energy to pass  
Miles of steel and concrete  
Between my home and here  
I'm headed for 120  
I'm only second gear  
Crush, kill, destroy, crush, kill, destroy

One flick of the wheel  
Bodies everywhere  
Tons of twisted metal  
People stop and stare

Bloodstains on the highway  
On the road I am a god  
I've got the pedal to the metal  
I'm a mean machine  
In a hot rod  
Crush, kill, destroy, crush, kill, destroy
