I used to love my baby

Yes, I loved her a lot

So I took her on down

To the used car lot

I was looking at a shiny red Chevrolet

And then she ran away

With some guy named Clay

I got a date with my baby  
And a shotgun shell

I'm going to take her out  
And blow her to Hell

Got a date with my baby

And a shotgun shell  
I'm going to take her out  
And blow her to Hell

I used to love my baby  
She's the love of my life

But I waited to long  
Sometimes we're low

to try to make her my wife

And sometimes we're high  
And now she's getting married

To another guy  
I got a date with my baby

And a shotgun shell

I'm going to take her out

And blow her to Hell  
got a date with my baby

And a shotgun shell  
I'm going to take her out

And blow her to Hell
