The way we go
All too soon
Away far away
From all we know
To all we deny
To see your smile
With a crown on your head
To meet those who care
To not be sincere
And not care

Nothing to share
I just want him back
I never felt a need
To be so brave
Standing ahead
With my breath so relaxed
Even after relapse
To see your smile
For all I know
I left too soon
The way we go

The way we go
All too soon
Away far away
From all we know
To all we deny
To see your smile
With a crown on your head
To meet those who care
To not be sincere
And not care

Nothing to share
I just want him back
I never felt a need
To be so brave
Standing ahead
With my breath so relaxed
Even after relapse

To see your smile
For all I know
I left too soon
The way we go
