Hello, misfortune, how's my old friend "Mr. Misery"?  
I've been away so long  
I bet you thought you'd seen the last of me

I got no bed to rest my head  
No doors or walls or window pane  
Now all I needed was the rain  
Rain, rain, rain, rain

Met a little honey  
At the Buzzin' Bumble Bee Cafe, yes, I did  
One drink and all my money  
And that honey bee had flown away

I'm 'bout as low as I can go  
I don't really mean to complain  
Now all I needed was the rain  
Rain, rain, rain, rain

All I needed was this rain  
All I needed was the rain
