(adapted and arranged by Elvis Presley)

I had to leave my heart and go away,
to a land across the farest sea.
But in my thoughts I'll always be with you,
if i should never come,don't cry in vain.

Aloha-oe, aloha-oe,
Thou charming one who dwells among the bowers
One fond embrace before I now depart
until we meet again.

Through seven seas and hills I'm outward bound,
but i know, one day my heart is found.
When there will glow a star on each our ways,
it could be ,there a home we will find.

Repeat chorus: Aloha-oe, aloha-oe..
