(words & music by joy byers) I'll send you red roses by the dozen I'll call you sweet little things like turtle dove I'll whisper pretty things in your ear The kinda things a girl likes to hear Baby, if you'll give me all of your love I'll bring you pounds and pounds of chocolate candy To prove it's you that I've been thinking of Tear up all the pictures I own of every pretty girl I've ever known Baby, if you'll give me all of your love I'll take you dancin' every night until you're ready to drop I'll kiss your sweet red cherry lips until you holler stop Every night I'll serenade you 'neath your window If you need me just a whistle and I won't need a shovel I'll hug you squeeze you tight as I can It ain't gonna be no one-night stand Baby, if you'll give me all of your love I'll take you dancin' every night until you're ready to drop I'll kiss your sweet red cherry lips until you holler stop Every night I'll serenade you 'neath your window If you need me just a whistle and I won't need a shovel I'll hug you squeeze you tight as I can It ain't gonna be no one-night stand Baby, if you'll give me all of your love Baby, if you'll give me all of your love you will give me, if you will give me all your love
