When you're through swimming  
I'll dry your back  
Come and relax, girl  
In my little beach shack

Dum-di-dum-di-dum, yeah-yeah-yeah  
There'll be nothing you'll lack  
It's a pleasure to welcome you  
In my little beach shack

In my beach shack  
Baby, we'll be alone  
In my beach shack  
I'll make you feel at home

Take off that wet cap  
Let down your hair  
Come to my beach shack  
You'll be comfortable there

Dum-di-dum-di-dum, yeah-yeah-yeah  
Be my guest, have a snack  
See how nice I feed company  
In my little beach shack

In my beach shack  
Baby, we'll be alone  
In my beach shack  
I'll make you feel at home

Come see my etchings  
I wish you would  
Don't be afraid, girl  
My intentions are good  
You believe me now

Dum-di-dum-di-dum, yeah-yeah-yeah  
I know girls by the pack  
There's no one I want there but you  
In my little beach shack

In my beach shack

Baby, we'll be alone  
In my beach shack  
I'll make you feel at home

In my little beach shack
