Breeze, sing a happy song  
This heart of mine is singing right along  
Don't know where I'm going, don't know where it ends  
Till the grass is greener, beyond the bend

I haven't got a care  
I'm just on my way to anywhere  
Pocketful of nothing, nothing I can spend  
Hope the grass is greener, beyond the bend

Beyond the bend, perhaps there'll be  
Somebody waiting who's right for me

So I got to move around  
And I know I've got to cover ground  
Oh, the trip is shorter when you got a friend  
Gotta find that rainbow beyond the bend

Beyond the bend, perhaps there'll be  
Somebody waiting who's right for me

So I got to move around  
And I know I've got to cover ground  
Oh, the trip is shorter when you got a friend  
Gotta find that rainbow beyond the bend  
Beyond the bend, beyond the bend
