I told her to leave me alone  
That's what she's done  
Just what she's done

And a house built for two, ain't a home  
When it's lived in by one, one lonely one  
And I can no longer hear footsteps  
Come right down the hall

Here come the teardrops  
Bitter they are, harder they fall

She caught me lying  
Then she caught a train  
And I caught a fever  
Walking home in the rain, oh yeah

But it's over and I'm done  
She left me once and for all

Here come the teardrops  
Bitter they are, harder they fall  
Here come the teardrops  
Bitter they are, harder they fall
