(words & music by R. Rodgers - L. Hart)

Blue moon,
You saw me standing alone,
Without a dream in my heart,
Without a love of my own.

Blue moon,
You knew just what I was there for.
You heard me saying a prayer for
Someone I really could care for.

Without love of my own.

Then suddenly there appeared before me
the only one my arms would ever know.
I heard someone whisper "Please adore me.",
and when I looked, the moon had turned to gold.

Blue moon,
You saw me standing alone,
Without a dream in my heart,
Without a love of my own.

Blue moon...
Without a love of my own.
