Blue moon, blue moon, blue moon
Keep shining bright
Blue moon, keep on shining bright
You're gonna bring me back my baby tonight
Blue moon, keep shining bright

I said blue moon of Kentucky
To keep on shining
Shine on the one that's gone and left me blue
I said blue moon of Kentucky
To keep on shining
Shine on the one that's gone and left me blue

Well, it was on one moonlight night
Stars shining bright
Whispered on high
Love said goodbye

Blue moon of Kentucky
Keep on shining
Shine on the one that's gone and left me blue

Well, I said blue moon of Kentucky
Just keep on shining
Shine on the one that's gone and left me blue
I said blue moon of Kentucky
Keep on shining
Shine on the one that's gone and left me blue

Well, it was on one moonlight night
Stars shining bright
Whispered on high
Love said goodbye

Blue moon of Kentucky
To keep on shining
Shine on the one that's gone and left me blue
