Blue river

It can't be found on any map that I know
But it's a place where lonely lovers all go
To cry their tears

Blue river

It winds along a path of heartache and pain
Of broken dreams from lovin' someone in vain
That way that I loved you, and baby I still do

I held you so tight, you were out of my sight
I'm feelin' so low but I gotta go

Blue river

Because you never really cared about me
From now on baby that's where I'm gonna be
Cryin' over you, by the river of blue

I held you so tight, you were out of my sight
I'm feelin' so low but I gotta go

Blue river

Because you never really cared about me
From now on baby that's where I'm gonna be
Cryin' over you, by the river of blue
