COLD COLD HEAR
Elvis Presley & Willie Nelson 3'05

Written by: Hank Williams

I tried so hard my dear to show that you're my every
dream
Yet you're afraid each thing I do is just some evil
scheme
Now a memory from your lonesome past keeps us so
far apart
Why can't I free your doubtful mind and melt your cold,
cold heart

Another love before my time made your heart sad and
blue
And so my heart is paying now for things I didn't do
In anger unkind words are said they make the
teardrops start
Why can't I free your doubtful mind and melt your cold,
cold heart

* * * * *

Yeah, there was a time when I believed that you
belonged to me
But now I know your heart is shackled to a memory

The more I learn to care for you the more we drift apart
Why can't I free your doubtful mind and melt your cold,
cold heart
Why can't I free your doubtful mind and melt your cold,
cold heart
