"Come Along"

Come along, come along, there's a full moon shining
bright

Come along, come along, we're gonna hit St. Louis
tonight

Spend your money looking at the chorus line

Spend your money, win it on the number 9

Take your sweetheart even though she's never been

If she's worried tell her that you always win

Come along, come along, there's a full moon shining
bright

Come along, come along, you're gonna win a fortune
tonight

Hear the whistle, lady luck's about to go

Is she smiling, maybe yes or maybe no

Now's the time when nights are filled with sweet
romance

Don't be bashful step on up and take a chance

Come along, come along, there's a full moon shining
bright

Come along, come along, we're gonna hit St. Louis
tonight

Come along, come along, we're gonna win a fortune
tonight
