### "Confidence"

When everyone thought the world was flat  
Columbus said "It's round"  
He went down in history  
And America was found

'Cause  
He had confidence  
A little thing called confidence  
There's no job too immense when you've got  
Confidence

With a "C" and an "O" and an "N" and an "F"  
And an "I" and a "D" and an "ENCE"  
Put 'em all together and what have you got

Confidence

You'll be surprised what you can do  
If you will only try

Remember the tortoise and the hare  
Who had that famous race  
The speedy hare wound up nowhere  
And slow poke took first place

'Cause  
He had confidence  
A little thing called confidence  
There's no job too immense when you've got  
Confidence

You'll be surprised what you can do  
If you will only try

How do you know that you can't ride a rainbow in the  
sky

You'll be surprised what you can do  
If you will only try

All you need is confidence  
A little thing called confidence  
There's no job too immense when you've got  
Confidence

With a "C" and an "O" and an "N" and an "F"  
And an "I" and a "D" and an "ENCE"  
Put 'em all together and what have you got

Confidence
