Dominic, Dominic, why are you stallin'
Don't you hear love callin' to you?
Moo, moo, move your little foot, do

Dominic, Dominic, pick one of 'em ticker
There's acres and acres to choose
Oh, oh, only a fool would refuse

I, I, if I had your trouble
Life would be double good sweet
There'd be no grass growin' under my feet

Listen, Dominic, Dominic, when will you hunger
You ain't gettin' younger, my friend
Love, love, love 'em all right to the end

I, I, I can't understand you
Leavin' them beauties forlorn
It's time to take the old bull by the horn

Come on, Dominic, Dominic, they're itchin' and twitchin'
Better start pickin' some woo
Moo, moo, move your little foot, do
