There ain't no use to sit and wonder why babe  
If you don't know by now  
There ain't no use to sit and wonder why babe  
If you don't know by now  
When the rooster crows at the break of dawn  
Well look out your window baby I'll be gone  
You're the reason I'm movin' on  
Yeah, don't think twice it's all right

I've headed down that long lonesome road, girl  
Where I'm bound I can't tell  
Goodbye is too good a word girl  
So I'll say Fare thee well  
I ain't sayin' you treated me unkind  
You could have done better but I, I don't mind  
You just kinda wasted my precious time  
Oo, Don't think twice it's all right

Take it on

When the rooster crows at the break of dawn  
Well look out your window baby I'll be gone  
You're the reason I'm movin' on  
Yeah don't think twice it's all right

There ain't no use to sit and wonder why babe  
It don't matter anyhow  
There ain't no use to sit and wonder why babe  
If you don't know by now

When the rooster crows at the break of dawn  
Well look out your window baby I'll be gone  
You're the reason I'm travelin' on  
Oh don't think twice it's all right

I'm headed down that long lonesome road, babe  
Where I'm bound I can't tell  
Goodbye is too good a word girl  
I'll just say Fare thee well  
I ain't sayin' you treated me unkind  
You could have done better but I, I don't mind

You just sorta wasted my favorite time  
Oo, Don't think twice it's all right  
Wow

When the rooster crows at the break of dawn  
Well look out your window baby I'll be gone  
You're the reason I'm travellin' on  
Oh don't think twice it's all right

I've headed down that long lonesome road, girl  
Where I'm bound I can't tell  
Goodbye is too good a word girl  
I'll just say Fare thee well  
I ain't sayin' you treated me unkind  
You could have done better but I don't mind  
Yeah, you're the reason I'm travellin' on  
Oh don't think twice it's all right

Take it on  
Where I'm bound I can't tell  
Goodbye is too good a word girl  
So I'll say Fare thee well
