Don't  
don't  
that's what you say  
each time that I hold you this way  
when I feel like this and I want to kiss you  
baby  
don't say don't.

Don't  
don't leave my embrace  
for here in my arms is your place  
when the night grows cold and I want to hold you  
baby  
don't say don't.

If you think that this is just a game I'm playing

if you think that I don't mean every word I'm saying

don't  
don't don't feel that way  
I'm your love and yours I will stay.  
This you can believe  
I will never leave you  
heaven knows I won't  
baby don't say don't.  
man  
and be a brother to your old friend

I love my [{XXXXXXXXXX}](#)
