As I read the letters, oh that you wrote to me  
Well it's you, it's you I'm thinking of  
As I read the lines that to me were so sweet  
I remember our faded love

I miss you darlin', more and more everyday  
As heaven would miss the stars above  
With every heartbeat, I still think of you  
And remember our faded love

As I think of the past, all the pleasures that we had  
As I watch the mating of the doves  
It was in the spring time that you said goodbye

I remember our faded love

Yeah, I miss you darlin', more and more everyday  
As heaven would miss the stars above  
With every heartbeat, I still think, think of you  
And remember our faded love

I remember our faded love  
I remember our faded love

Well, I miss you darlin', more and more everyday  
As heaven would miss the stars above  
With every heartbeat, I still think, think of you  
And remember our faded love

Yes I remember our faded love  
I remember our faded love
