Wise men say only fools rush in  
but I can't help falling in love with you  
Shall I stay  
would it be a sin  
If I can't help falling in love with you

Like a river flows surely to the sea  
Darling so it goes  
some things are meant to be  
take my hand, take my whole life too  
for I can't help falling in love with you

Like a river flows surely to the sea  
Darling so it goes  
some things are meant to be  
take my hand, take my whole life too  
for I can't help falling in love with you  
for I can't help falling in love with you
