(Words & music by sid tepper - Roy C. Bennett)

There were five sleepyheads  
All tucked into their beds  
While I sang a lullaby  
One got dream dust in her eye

There were four sleepyheads  
Playing possum with me  
Mr. sandman came by  
And then there were three

Moonbeams play peek-a-boo  
Three awake became two  
And my song was almost done  
When the land of nod took one

Kissed the last one goodnight  
Then I heard not a peep  
There were five sleepyheads  
Now they're all fast asleep
