Fool, fool, fool
That I was to fall for you
Well fool, fool, fool
That I was to fall for you
Well, I know what a fool I was
To think that you could love me too

Well, well, when I first met you baby
Well, I knew I couldn't win
But I just kept right on trying
'Cause trying is no sin

What a fool, fool, fool
That I was to fall for you
Well I know what a fool I was
To think that you could love me too

Well when I first met you baby
Well I knew I couldn't win
But I just kept right on trying
'Cause trying is no sin

What a fool
That I was to fall for you
Well I know what a fool I was
To think that you could love me too yeah
