Had a dream about you baby
Had a dream about me and you
Had a dream and woke up crying
Well, I can roll but I just can't rock
And the time's goin' by, tick-tock
For the heart, I just can't love no one but you

Well, I'm high and dry and lonely
I'm as lonely as can be
And I stare out of my window
Well, I can play but I just can't win
And the weather's looking dim
For the heart, I just can't love no one but you

For the heart
For the heart
For the heart, I just can't love no one but you

For the heart
For the heart
For the heart, I just can't love no one but you

Had a dream about you baby
Had a dream about me and you
Had a dream and woke up crying
Well, I can roll but I just can't rock
And the time's goin' by, tick-tock
For the heart, I just can't love no one but you

For the heart
For the heart
For the heart, can't love no one but you

For the heart
For the heart
For the heart, I just can't love no one but you

Well, for the heart
For the heart
For the heart, I just can't love no one but you

Yes, for the heart

For the heart
For the heart, I just can't love no one but you
