One thought of you my heart begins churning
I feel it turn to a fountain of love
My lips and eyes they ache to be near you
To hold you here in my fountain of love

Never be blue should your world start sinking
Just come and drink from my fountain of love
We'll build a new world off on a high mountain
We'll live on our fountain of love

One thought of you my heart begins churning
I feel it turn to a fountain of love
My lips and eyes they ache to be near you
To hold you here in my fountain of love

Never be blue should your world start sinking
Just come and drink from my fountain of love
We'll build a new world off on a high mountain
We'll live on our fountain of love

We'll live on our fountain of love
We'll live on our fountain of love
We'll live on our fountain of love
