Happy, happy birthday baby
Although you're with somebody new
Thought I drop a line to say
That I wish this happy day would find me beside you.
Happy, happy birthday baby
No I can't call you my baby
Seems like years it was we met
On a day I can't forget
Because that's when we fell in love
Do you remember, the names we had for each other
I was your pretty, you were my baby
How could we say goodbye?
Hope I didn't spoil your birthday
I'm not acting like a lady
So I close this note to you
With good luck and wishes too
Happy, happy birthday baby
