(Words & music by Larry Gatlin)

Lord, Help me walk  
another mile, just one more mile;  
I'm tired of walkin' all alone.  
Lord, Help me smile  
another smile, just one more smile;  
I know I just can't make it on my own.  
I never thought I needed help before;  
I thought that I could do things by myself.  
Now I know I just can't take it any more.  
With a humble heart, on bended knee,  
I'm beggin' You, please, Help Me.

Come down from Your golden  
throne to me, to lowly me;  
I need to feel the touch of Your tender hand.  
Remove the chains of darkness  
and let me see, Lord let me see;  
Just where I fit into your master plan.  
I never thought I needed help before;  
I thought that I could do things by myself.  
Now I know I just can't take it any more.  
With a humble heart, on bended knee,  
I'm beggin' You, please, Help Me.
