I don't want my heart to be broken  
'Cause it's the only one I've got  
So darling, please be careful  
You know I care a lot

Darling, please don't break my heart  
I beg of you

I don't want no tears a-falling  
You know I hate to cry  
But that's what is bound to happen  
You only say goodbye

Darling, please don't say goodbye  
I beg of you

Hold my hand and promise  
That you'll always love me true  
Make me know you'll love me  
The same way I love you, baby

You got me at your mercy  
Now that I'm in love with you  
So please, don't take advantage  
'Cause you know my love is true

Darling, please, please love me too  
I beg of you

Hold my hand and promise  
That you'll always love me true  
Make me know you'll love me  
The same way I love you little girl

You got me at your mercy  
Now that I'm in love with you  
So please don't take advantage  
'Cause you know my love is true

Darling, please, please love me too  
I beg of you  
Darling, please, please love me too

I beg of you
