

Elvis Presley "I Can Help"

Visit "[I Can Help](#)" on MotoLyrics.com

If you got a problem, I don't care what it is
If you need a hand, I can assure you this
I can help, I got two strong arms and I can help
It would sure do me good to do you good, let me help

It's a fact that people get lonely, it ain't nothing new
But a woman like you, baby, should never have the blues
Let me help, have a laugh on me, I can help
It would sure do me good to do you good, let me help

When I go to sleep at night, you're always a part of my dream
Holding me tight, telling me everything I want to hear

So don't forget me, baby, all you gotta do is call
You know how I feel about you, I can do anything at all,
let me help
If your child needs a daddy, I can help
It would sure do me good to do you good, let me help
Let me help, baby

When I go to sleep at night, you're always a part of my dreams
Holding me tight, telling me everything I want to hear

So don't forget me, baby, all you gotta do is call
You know how I feel about you, I can do anything at all,
let me help
If your child needs a daddy, let me help
It would sure do me good to do you good, let me help

When I go to sleep at night, you're always a part of my dreams
Holding me tight, telling me everything I want to hear

So don't forget me, baby, all you gotta do is call
You know how I feel about you, I can do anything at all,
let me help
If your child needs a daddy, I can help
It would sure do me good to do you good, let me help

I can help
If your child needs a daddy, good God you know I can
help
