I want my share of love, it might as well be known  
But I ain't thinking of one girl to love alone  
That ain't the way it's gonna be, I'm on my own and I  
am free  
And I've been satisfied, so I don't wanna be tied

Somebody's loving arms can sure be sweet I've found  
But I want no one's arms to ever hold me down  
Once I get caught inside a net I'm gonna run I bet  
I'm gonna run and hide, I don't wanna be tied

I've seen lovers who were matched  
They thought that love could stay  
Once they cared and got attached  
It seems that love just slipped away

Don't want no claims on me  
Don't want no chains that bind  
As anyone could see  
I say what's on my mind  
Well, there ain't nothing I conceal  
I'm gonna play the field  
The field of love is wide

I don't wanna be tied  
The field of love is wide  
I don't wanna be tied  
The field of love is wide  
I don't wanna be tied  
I said I don't, I don't wanna be  
I don't wanna be tied
