Oh how many arms have held you?
And hated to let you go
How many?, Oh how many? I wonder
But I really don't, I don't wanna know

Oh how many lips have kissed you?
And set, set your soul aglow, yes they did
How many?, Oh how many? I wonder, yes I do
But I really don't want to know

So always make, make me wonder
(Aah)
And always make, make me guess
(Aah)
And even, you know even if I ask you
(Aah)
Oh darling, oh don't you, don't confess
(Aah)

Just let it, let it remain your secret
Oh for darlin', darlin' I love you so
Yes I do

No wonder, yeah no wonder, I wonder
Mmm, 'cause I really don't want, I don't wanna know
