# "I Understand Just How You Feel"

Do you remember
The love we had for each other?
I was your faithy

I miss you so
Please believe me when I tell you
I just can't stand to see you go
You know

Please understand just how I feel
Your love for me might not reveal
And if you know this time it's real
We understood

I miss you so
Please believe me when I tell you
I just can't stand to see you go
You know

Please understand just how I feel
Come back to me, my love is real
And you will know this timeless feel
Will understand

Will understand
