(Words & music by brown)

There must be lights burning brighter somewhere  
Got to be birds flying higher in a sky more blue  
If I can dream of a better land  
Where all my brothers walk hand in hand  
Tell me why, oh why, oh why can't my dream come true  
Oh why

There must be peace and understanding sometime  
Strong winds of promise that will blow away  
All the doubt and fear  
If I can dream of a warmer sun  
Where hope keeps shining on everyone  
Tell me why, oh why, oh why wont that sun appear

Were lost in a cloud  
With too much rain  
Were trapped in a world  
That's troubled with pain  
But as long as a man  
Has the strength to dream  
He can redeem his soul and fly

Deep in my heart there's a tremblin question  
Still I am sure that the answer gonna come somehow  
Out there in the dark, there's a beckoning candle, yeah  
And while I can think, while I can talk  
While I can stand, while I can walk  
While I can dream, please let my dream  
Come true, ohhhhh, right now  
Let it come true right now  
Oh yeah
