I don't know just what I'd do
If the Lord wasn't walking by my side

When I was drifting
I was drifting on the sea of despair
And I was wondering
I was wondering if He's over up there

When Jesus found me
Jesus found me in my sinful life
He heard me praying
He heard me praying on my knees at night

And now I'm singing
Now I'm singing a brand new song
Because I'm happy
Because I'm happy as I go along

And I don't know
I don't know just what I'd do
If the Lord wasn't walking by my side

What would I do?
What would I do when a tear fills my eyes?
What would I do?
What would I do when it's my time to die?

Well, I'd be lonely, discouraged, burdened on the way
If the Lord wasn't walking by my side every day

I'd be so friendless
I'd be friendless all alone and blue
And I'd be helpless
I'd be helpless, wouldn't know what to do

And I don't know
I don't know just what I'd do
If the Lord wasn't walking by my side

What would I do?
What would I do when the tears fill my eyes?
What would I do?

What would I do when it's my time to die?

I'd be lonely, discouraged, burdened on the way
If the Lord wasn't walking by my side every day

I'd be so friendless
I'd be friendless all alone and blue
And I'd be helpless
I'd be helpless, wouldn't know what to do

And I don't know
I don't know just what I'd do
If the Lord wasn't walking by my side every day

If the Lord wasn't walking
Wasn't walking by my side
Wasn't walking by my side
