I know you're a lonely woman, an' I love you
Someone else is waiting, and he owns you
If he should ever wake up
Make sure your story is straight love

If you talk in your sleep
Don't mention my name
And if you walk in your sleep
Forget where you came

Walkin' every night here, in the shadows
So afraid that sometime, he may follow
There's always the chance he'll find us
(Ooh ooh)
Though I don't need to remind you
(Ooh ooh)

If you talk in your sleep
Don't mention my name
(Don't mention my name, good)
If you walk in your sleep
Forget where you came
(Forget where you came, yeah)
(Don't mention my name)

Love is so much sweeter, when it's borrowed
Well, I'll feel a little easier tomorrow
Don't give our secret away
(Ooh ooh)
Be careful what you say
(Ooh ooh)

If you talk in your sleep
Don't mention my name
(Don't mention my name, too)
If you walk in your sleep
Forget where you came
(Forget where you came, yeah)

Forget where you came, now
(Don't mention my name)
Forget where you came

(Don't mention my name)
Don't mention my name
(Don't mention my name)
Don't mention my name
(Don't mention my name)
Forget where you came
(Don't mention my name)
(Don't mention my name)
(Don't mention my name)
