I'll be there when all your dreams are broken
To answer your unspoken prayer, oh
When the little things you're doing, ooh, don't turn out
right
Don't you worry darling I'll be there

There whenever you need to know
That there is someone who cares
Oh, so if your new love isn't your true love
Don't you worry darling, I'll be there

Oh, there whenever you need to know
That there is someone who cares
So if your new love isn't your true love
Don't you worry darling, I'll be there
Don't you worry darling, I'll be there
Don't you worry darling, I'll be there
