I'm beginning to forget you  
That old heartache is gone  
I'm beginning to sleep at night  
No more crying 'till dawn

I can hear your name mentioned  
And it brings no misery  
I'm beginning to forget you  
Like you forgot me

I'm beginning to smile again  
After crying for so long  
I can hear the tune we loved so well  
And it's just another song

I'm so happy that it's over  
I'm so thankful to be free  
I'm beginning to forget you  
Like you forgot me
