Well, I know, if I arrive in time to know you
If you had taken the time to show me
I wouldn't be lonely

Where will I go? Who will I have to lie beside me?
To ease this emptiness inside me
I'm, I'm so lonely

Tried so hard each time, each time I just can't make it
Feelin' fast vibrations and I just can't take it
Living from day to day, chasing the dream
I'm, I'm leavin'
