Oh, it won't seem like Christmas without you
Far too many miles are between
But if I get the one thing I'm wishing for
Then I'll see you tonight in my dreams

Seems a long time since we've been together
It was just about to this time of year
Looks like it's gonna be snowy weather
How I wish that you could be here

'Cause it won't seem like Christmas without you
Far too many miles are between
But if I get the one thing that I'm wishing for
Then I'll see you tonight in my dreams

In the distance I hear sleigh bells ringing
The holly is so pretty this year
And the carols that somebody's singing
Reminds me of our Christmas last year

Oh, but it won't seem like Christmas without you
Far too many miles are between
And if I get the one thing I'm wishing for
Oh, I'll see you tonight in my dreams
Yes, I'll see you tonight in my dreams
